

UPINGTON HIGH SCHOOL E-LEARNING - TABLETS

Dear Parent

Upington High School is 118 years old this year, yet we are proud to ensure you that our teaching methods are futuristic. In 2015 we are moving towards an e-learning platform for teaching which will make learning much more effective and interesting for your child.

The minimum requirements of tablets are listed below. Show it to any provider to ensure that you purchase the right device.

Minimum requirements for the tablet to be acquired

- Dual-Core or Quad Core CPU with 1.5GHz processing speed
- 8GB internal storage or more
- 1.5GB RAM or more
- Android 4.1 or higher.
- 10.1" screen is recommended
- A-grade Wi-Fi components
- Battery life up to 8 hours for video playback
- Please note: It is strongly recommended that a dual band (2.4 and 5Ghz) Level 1 branded device such as Samsung, Lenovo, Acer and Sony Xperia just a few to name, is acquire.
- No internet access is required

Providers who meet the specific requirements are:

This however is not a complete list of representative stores, but serves as a guide only.
